

Newsline ~ Emperor Geese

Summer 2011

We went to a French Market in St Albans. Everyone had to speak in French to buy bread and cheese. We saw lots of delicious treats. We had to try and stop the birds from coming near us as they wanted to eat our bread! I really enjoyed the French Market– it was fun but I didn't like the cheese!

Enjoying the bread and cheese

Brightsparks concert

We went to The Royal Festival Hall to watch the London Philharmonic orchestra. I liked all the different instruments and the fairy music. We listened to The Firebird which had a dog called Dan in it. We had to copy the conductor and we listened to a loud and light piece of music.

Nearly at the top

Campfires burning,
campfires burning

Camp was our favourite thing all year. We did rock climbing and Joshua and Rahul climbed to the top. We went swimming and to an adventure playground. At camp we had a barbeque. We had marshmallows and campfire songs.
